# Your Vacation Assured

OU must plan ahead if you are to take a vacation next Summer. Else when the time comes you won't have the funds.

We invite you to start a Vacation Fund with this bank. You are at liberty to draw out your money when you need it.

It is high time you began to save for the vacation which is coming later in life old age. --- A bank account added to from time to time will insure a happy vacation in later life when your work is over and you are ready to rest. The sooner you begin the better. Small accounts welcome here.

#### History In July.

least four countries perhaps the most important event in their histories was recorded in July-namely. the establishment of their independence. In our own history we have the memorable Fourth of July, while the patriotic efforts of the liberator Simon Bollyar for the independence of Venezuela were consummated on July 5. Colombia ridding herself of the Spanish yoke on July 20. Then there is France, with her July 14, marking the date when the suffering French people stormed the famed and fearsome Bastille. The Spanish forces at Santiago, Cuba, capitulated on July 16.

Old Age a Paradox.

Dr. Lyman Abbott, discussing old age at a dinner in New York, smiled pensively and said:

"Old age is not so sad as youth deems it. Old age is a paradox. It may be truly said that the best years of a man's life come after the best years of his life have been wasted."
